YMCA STORER CAMPS

POLICIES & PROCEDURES

Revised November 20, 2020

WELCOME TO YMCA STORER CAMPS

Welcome and thank you for choosing YMCA Storer Camps for your overnight or day trip. We are continuing to monitor the latest guidelines from the Jackson County Health Department to assure the health and safety of our guests and the Storer staff. If you have any questions or need more information please contact your YMCA Storer Camps host.

PRE-CAMP HEALTH SCREENING

- **Guests will be asked to self-monitor and conduct the following pre-screening activities for 14 days before arrival to camp:**
 - **Guests should have temperatures taken daily.**
 - **Self-screen for the presence of COVID-19 symptoms. These symptoms include fever of 100.4 degrees Fahrenheit or greater, cough, shortness of breath, diarrhea, fatigue, headache, muscle aches, nausea, loss of taste and/or smell, sore throat and vomiting.**
 - **If a guest has been in close contact with a person who has been diagnosed with COVID-19, inform YMCA Storer Camps prior to arrival.**
- **Guests who exhibit any of the symptoms listed above will be asked to stay home.**
- **Guests are asked to limit large group activities (especially indoors) prior to their visit to camp.**
- **The YMCA Storer Camps staff undergoes a daily health screening/temperature check.**

HEALTH SCREENING & COVID-19 WAIVERS

- **YMCA Storer Camps is required to take the temperature of all staff and any children entering our programs and will do so using an infrared forehead thermometer. Under the guidance of the Center for Disease Control, any person with an actual temperature of 100.4 degrees should not be allowed access to camp. Considering there is a known variance between any person's infrared forehead temperature and their actual temperature, the YMCA will not allow access to camp if they have an infrared forehead thermometer measured temperature of 99 degrees or greater.**
- **ALL guests (youth & adult) must sign/submit a copy of the YMCA Storer Camps COVID-19 Participant Waiver prior to or upon arrival to YMCA Storer Camps.**

SUSPECTED/POSITIVE COVID-19 CASES

- **If a guest develops COVID-19 symptoms while at YMCA Storer Camps, they must be isolated and taken home as soon as possible. Please inform your group's host if this occurs.**
- **The sleeping area and lodging unit will be sanitized thoroughly by YMCA Storer Camps staff.**
- **YMCA Storer Camps will work with the Jackson County Health Department to follow the appropriate recommended next steps.**

MASKS & SOCIAL DISTANCING

- All guests at YMCA Storer Camps should wear a mask when indoors and within 6 feet of others and outdoors when within 6 feet of others. YMCA Storer Camps staff will wear a face covering when interacting with guests indoors or within 6 feet of guests.
- Guests are advised to practice social distancing by standing at least 6 feet away from other groups of people not travelling with them while moving around the camp property.
- Program areas (if open) will be arranged to ensure appropriate distancing.
- All indoor spaces should be set up to comply with state/local mandated occupancy limits.

HOUSING CAPACITY

- YMCA Storer Camps will post the capacity for overnight sleeping in each lodge unit.
 - Maximum of 7 people per unit
- The Authorized Group Representative must see that the housing capacity is followed throughout their stay.

FOOD SERVICE

- YMCA Storer Camps will not be providing food service for guests until further notice. Each lodge unit includes a refrigerator and microwave. Outdoor grills and fire circles can also be designated for groups. Please contact your YMCA Storer Camps host for specific locations.
- Guests may bring their own crockpots or other cooking devices.

SANITIZING/CLEANING

- Hand sanitizer will be available in each sleeping area and open buildings around camp.
 - Note that many of our buildings may be temporarily off-limits for public use.
- Each lodge/building contains sanitizing spray and cloths (located in green buckets) so guests can disinfect high touch surfaces (light switches, door knobs, sinks, counter tops) during their stay.
- If guests use any sports equipment (basketballs, volleyballs, gaga balls, etc.), they should disinfect the equipment after each use.
- All guest housing is thoroughly sanitized/cleaned between reservations.

AVAILABLE FACILITIES/PROGRAMMING

- Storer-run programming is suspended at this time until further notice. However, guests may use the following (please contact your YMCA Storer Camps host to make arrangements):
 - Basketball & Volleyball Courts
 - Gaga Ball Pits
 - Camp Walking/Hiking Trails
 - Camp Fire Circles (firewood available)
 - Limited A/V Equipment (projectors, screens, laptops)
