## Camp Catch-A-Rainbow: Free Pediatric Oncology Camp YMCA STORER CAMPS

### Medical and General Volunteers Needed!

YMCA Storer Camps offers Camp Catch-A-Rainbow (CCAR) and Young Camper's Day (YCD) for young cancer survivors. These free programs allow children who have had a cancer diagnosis to have a "normal" camping experience complete with swimming, horseback riding, boating, sports, new friendships, and much more!

Staffed by volunteers, Camp Catch-A-Rainbow programs offer campers 24 hour access to health care professionals to meet their cancer care needs. Medical Professionals (licensed in MI) are currently needed to act as volunteer cabin counselors to help meet the medical care needs of participants.

General Cabin Counselors (MALE volunteers especially) and Arts & Crafts volunteers are needed as well.

Preference is given to those 21 or older, but those at least 18 with one year of college or work experience post high school may be considered.

### 2019 Schedule

**Full Week:** August 4th - August 9th

**Young Campers Day:** Sunday, August 4th

**Mandatory Volunteer Training:** Saturday, August 3rd

### To Apply:

The application deadline for both programs is **June 7th, 2019**. Late applications may be accepted if space is available. Apply online at [www.ymcastorer camps/rainbow](http://www.ymcastorer camps/rainbow) or by contacting Derek Bycraft at 517-536-8607 or [dbycraft@ymcastorer camps.org](mailto:dbycraft@ymcastorer camps.org).
