MEDICATIONS STOCKED AT YMCA STORER CAMPS HEALTH CENTER

For questions or assistance, please call 517-536-8607.

Our Health Center stocks the following medications used to manage illness and injury as directed by our medical protocols. Health Center staff only administer medication according to the age-appropriate instructions on the medication label. Staff will *ALWAYS* reference your child's health form before providing care. Please list medication your child should **NOT** be given at camp in the Medication Permission section of your child's health form.
