Dear Teachers and Coordinators,

Thank you for coordinating your school's trading post order. Although it takes some extra time to put the orders together, the students enjoy their purchases and will appreciate your efforts.

This year we would like to give one free T-shirt for the coordinator on school orders over \$100. All he/she needs to do is fill out the information on the order form and fax it in with the school order.

Our goal is to distribute school orders on the arrival day of the school. Students can then use the items they purchased while at camp

As the coordinator, here are some things to keep in mind.

1. This is your master copy. All student orders are to be tallied on this sheet and faxed to Storer Camps, preferably 2 weeks prior to your camp visit.  
**You keep the students individual forms.**
2. Remind parents that student orders paid with a check need to be made out to your school. **Not YMCA Storer Camps.**
3. Sizes are adult unless otherwise noted.
4. A teacher or school representative is needed to inventory the order at the time of pickup.
5. When an item is not available, student may select another item while at camp.
6. The trading post will be opened to parents and teachers during your stay for shopping and exchanging orders. Please see your Storer representative while at camp for Trading Post hours.
7. If you have any questions, please contact me at our main office 517.536.8607 or email [mbex@ymcastorercamps.org](mailto:mbex@ymcastorercamps.org)

Thank you for your Trading Post order.

Sincerely,

*Miranda*
